

WHOSE QUALITY CARE CAN YOU HELP PROTECT? ALL OF THEM.

The federal medical assistance percentage (FMAP) is providing needed financial assistance to state Medicaid programs, allowing millions of low-income Americans to receive the quality care they need and deserve.

During these tough economic times, when state Medicaid programs are underfunded and state Governors are asking for federal support, patients are the first to feel the impact of funding cuts.

**CONGRESS: PROTECT QUALITY CARE.
EXTEND FMAP TO JUNE 30, 2011.**
