**Proposal to dedicate \$20 million increase for the SAPT Block Grant to “support supplemental performance awards for the top 20 percent of grant recipients that demonstrate superior performance in preventing and treating substance abuse” was not included in the FY 09 Omnibus Bill.*

***Proposal to consolidate a range of discretionary programs, including the Drug Court program and the Mentally Ill Offender Crime Treatment Reduction Act Program into a new Byrne Public Safety and Protection Program for funding purpose was not included in the FY 09 Omnibus Bill.*

****Proposal to consolidate a range of discretionary programs, including the Drug Court program and the Mentally Ill Offender Crime Treatment Reduction Act Program into funding for the Drug Courts generally. This explains the difference in the money received in FY2009 versus the amount of the increase stated between FY2009 and FY2010 as well as the zero funding for the MIOCTRA program.*
