**STRONG DEMAND LEADS TO OPENING OF WEST COAST OFFICE
FOR QUALIFACTS**

Nashville, TN—Qualifacts Systems today announces the opening of its' first Western U.S. office and the hiring of Geoff Fisher as the new Senior Account Executive for the West.

“With the growth of Qualifacts’ Western customer base it became clear that we were ready for a full-time office in the region”, said Chris Bair, Vice-President of Marketing for Qualifacts.

“Geoff Fisher brings 20 years of healthcare technology experience and was a top performer for one of our competitors. He has excellent knowledge of the behavioral health industry and shares our commitment to customer service. We are excited to have him on board and look forward to our continued growth in the region.”

According to Mr. Fisher, “Qualifacts’ continued successes in the industry can be attributed to a strong delivery model, fast implementations and low start-up costs. I am pleased to join forces with a company with an impressive track record, solid core values and a very happy customer base.”

About Qualifacts: Qualifacts is the largest provider of enterprise Software as a Service (SaaS) services for human service and behavioral health providers nationwide. Qualifacts’ CareLogic software includes comprehensive, registration, scheduling, Electronic Health Record, financial, reporting and administrative information management capabilities which improve clinical workflow, revenue cycle management, and operational transparency.
