Fifty-two percent of organizations have seen an increase in the demand for services. In that, 52% also believe the amount of drug overdoses has increased in their area in the past three months.

A quarter of organizations (26%) do not have enough personal protective equipment to last the next 2 months.

Twenty-six percent of organizations have laid off employees, 24% have furloughed employees, and 43% have decreased the hours for staff.

65% of organizations have had to cancel, reschedule, or turn away patients over the past 3 months.

On average, organizations have lost 22.6% of their revenue over the past three months during COVID-19. In that, 39% believe they can only survive six months or less.

Methodology
This poll was conducted between August 17th - September 1, 2020 among a national sample of 343 NCBH Members. The interviews were conducted online. Results from the full survey have a margin of error of plus or minus 5%.
1. Impact of COVID-19 On Organization
   - Impact on programs, workforce, patients, and finances

2. Stimulus Funding

3. Demographic Information of Organization
Half of organizations (54%) have closed some programs closed due to COVID-19, and a fifth have closed more than 20% of their programs.

Percent of programs within your organization currently closed due to COVID-19:

- No programs have closed: 46%
- 1%-10%: 27%
- 11%-20%: 7%
- 21%-30%: 8%
- 31%-40%: 3%
- 41%-50%: 3%
- 51%-60%: 1%
- 61%-70%: 1%
- 71%-80%: 1%
- 81%-90%: 1%
- 91%-100%: 1%

Average percent programs closed due to COVID-19: 11.7%
A quarter of organizations (26%) do not have enough personal protective equipment to last the next 2 months.

Do you have enough Personal Protective Equipment to last the next 2 months?

- Yes: 62%
- No: 26%
- Unsure: 13%
More than half of members (52%) report the demand for their organization’s services has increased over the last three months.

Has the demand for your organization’s services increased, decreased, or remained the same over the last 3 months?
Seven in ten members (69%) report their organization provides substance use disorder treatment.

Does your organization provide substance use disorder treatment?
Of the members who report their organization offers substance use disorder services, half report (50%) the use of such services has increased in the past three months.

Has demand for substance use disorder services increased, decreased, or remained the same over the past 3 months?

Among those whose organization offers substance use disorder services, n=237

Impact of COVID-19 on Organizations

Impact on Programs
Half of members report they can access COVID-19 tests for their staff, while 38% report they are able to do the same for their clients.

Are you able to access COVID-19 tests to meet the needs of your staff and clients?

<table>

A third report it takes their staff and clients anywhere from 2 to 4 days to receive results of their COVID-19 test, 27% report it takes between five and six days. What is the average amount of time it has taken for your staff and clients to receive the results of their COVID-19 test?
A quarter (26%) of organizations have laid off employees, a quarter (24%) have furloughed employees, and 43% have decreased hours of employees as a result of COVID-19.

Have you laid off or furloughed employees as a result of the COVID-19 outbreak?

- Decreased hours: 43% Yes | 57% No
- Furloughed: 24% Yes | 76% No
- Laid off: 26% Yes | 74% No
Among those who have laid off employees due to COVID-19, on average they have laid off 15.4% of their workforce.

About what percent of your work force have you laid off as a result of the COVID-19 outbreak?

- 1%-10%: 67%
- 11%-20%: 17%
- 21%-30%: 4%
- 31%-40%: 4%
- 41%-50%: 1%
- 51%-60%: 1%
- 61%-70%: 1%
- 71%-80%: 1%
- 81%-90%: 4%
- 91%-100%: 2%

AVERAGE PERCENT LAID OFF: 15.4%
Similarly, among those who have furloughed employees due to COVID-19, on average they have furloughed 14% of their workforce.

About what percent of your work force have you *furloughed* as a result of the COVID-19 outbreak?

- 1%-10%: 57%
- 11%-20%: 29%
- 21%-30%: 3%
- 31%-40%: 7%
- 51%-60%: 1%
- 61%-70%: 1%
- 81%-90%: 3%

Among those who have furloughed employees, n=76
Organizations are more likely to decrease hours of a larger percent of their workers. Among organizations who have decreased hours of employees due to COVID-19, on average they have decreased hours of 22% of their workforce.

About what percent of your workforce have you decreased hours of as a result of the COVID-19 outbreak?

- 61%-70%: 2%
- 71%-80%: 1%
- 81%-90%: 1%
- 91%-100%: 1%

Average percent revenue lost: 22.6%
Thirty-nine percent of organizations think they can survive financially up to 6 months under the current situation.

About how many more months can your organization survive financially under the current situation?
Half of organizations say telehealth services are providing an equal amount of revenue from in-person services.

Are telehealth services providing revenue equal to that from in-person services?

- Yes: 48%
- No: 41%
- Do not offer telehealth services: 6%
- Unsure: 5%
Among those who said telehealth services are not providing equal revenue to in-person services, on average they say they have received 28% less revenue.

Among those who said telehealth services are not providing equal revenues in-person services, n=139

Nearly three in five organizations (57%) report they have applied on behalf of their organization for funding from the HHS Provider Relief Portal. And, 10% report they have not applied yet but intend to.

Did you, or do you plan to, apply on behalf of your organization for funding from the HHS Provider Relief Portal (Medicare and/or Medicaid/CHIP)?

- **57%** Yes, I have applied
- **10%** No, have not applied, but plan to
- **22%** No, have not applied, and do not plan to
- **11%** Don’t know/Unsure
Among those who have no plans to apply to HHS Provider Relief, nearly half (48%) of organizations report they are unsure about their eligibility and compliance requirements to receive funding.

You indicated your organization has not applied for funding from the HHS Provider Relief Portal (Medicare and/or Medicaid/CHIP). Which of the following reasons best describes why your organization has not applied?

- Was not aware of the portal: 8%
- Received prior funding; believe organization is now ineligible for additional funding: 17%
- Unsure about eligibility and compliance requirements to receive funding: 48%
- Other, please specify: 27%
