Two services in one day billable at FQHC? Yes

Yes - An FQHC or RHC may bill only one (1) medical encounter per patient per day and, if enrolled with the Department to provide dental services, one (1) dental encounter per patient per day. FQHCs and RHCs who enroll with the Department to provide behavioral health services may, in addition, bill one (1) behavioral health encounter per patient per day.

SBIRT

Grant Funded: This program works through screening, brief intervention, and referral services introduced into settings where people naturally seek medical help, including hospitals, trauma centers, emergency departments, community clinics, Federally Qualified Health Centers, and school clinics.
