Clinic

Health Disparities

Health Disparities

Health disparities are health differences between different groups of people.

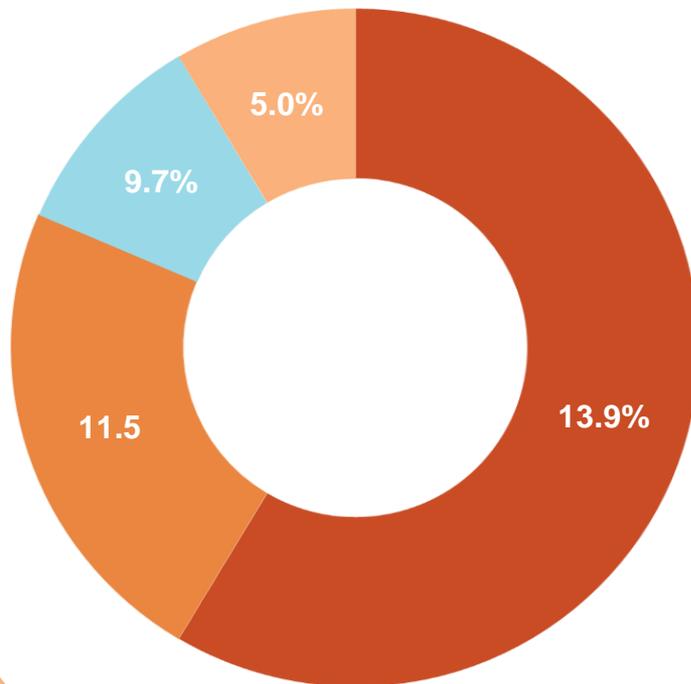

Different group of people

One goal to is be healthy

shutterstock.com • 263128442

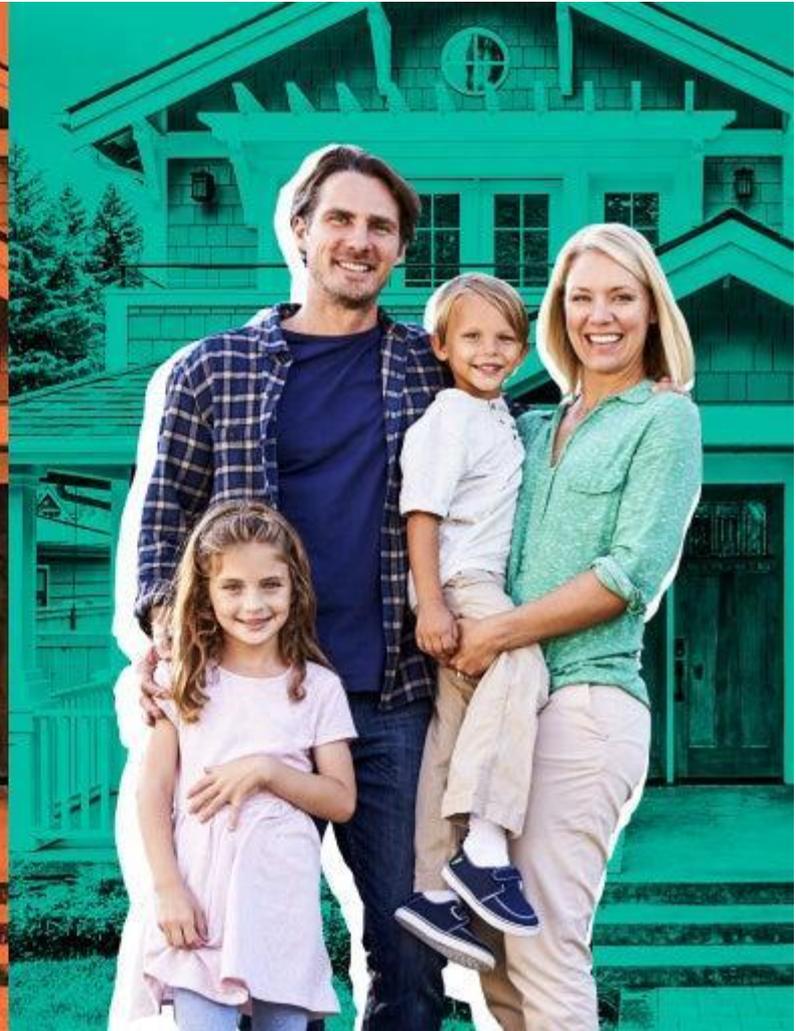

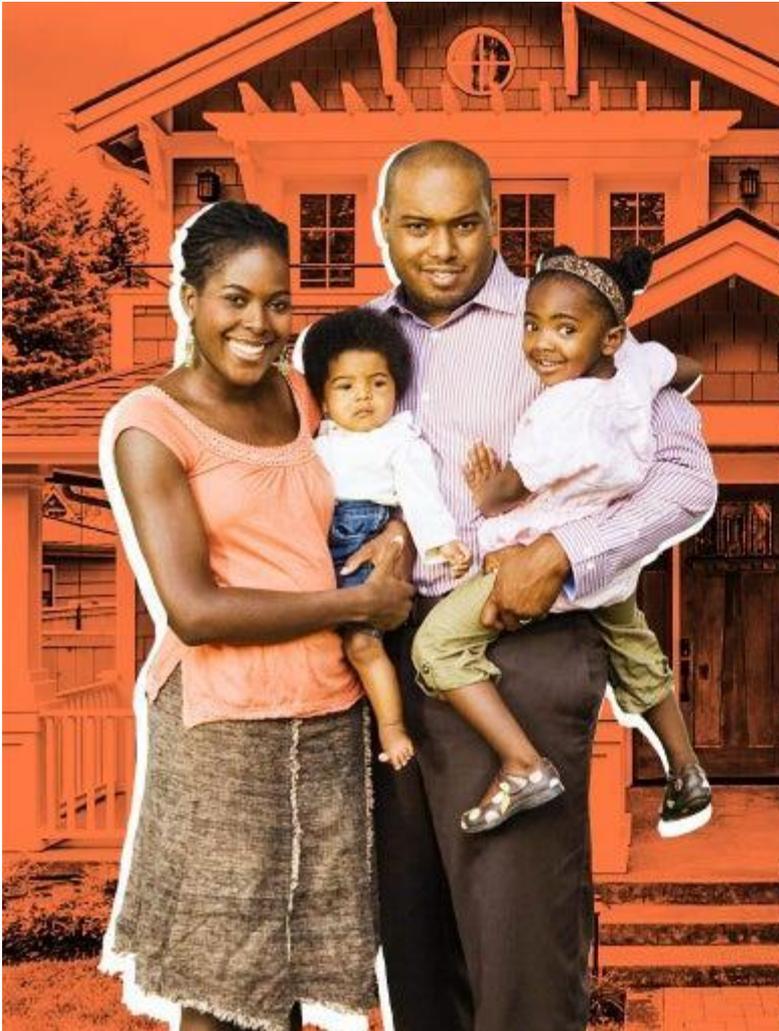

31.6 million uninsured

Uninsured

- 9.7% of people of all ages uninsured
- 11.5% under the age of 65
- 5.0% children
- 13.9% Among working –age adults.

ATTENTION AREAS

Register Here: https://thenationalcouncil.org.zoom.us/webinar/register/WN_j3KqI9ziS923Ko5-da9TrA

*Registration information will be emailed to all attendees from today's event and will be posted on our SJLA 'Events' Webpage:

<https://www.thenationalcouncil.org/program/the-social-justice-leadership-academy/events/>

Coming Soon:

SJLA Leadership Ambassador Community

- The SJLA Leadership Ambassador Community is designed as a space for Learning Series participants to interact, share ideas, and debrief after Learning Series events.
- We will be posting monthly 'Leaving in Action' items where participants can talk through ways in which they are implementing the skills discussed at each Learning Series events into their agencies/organizations.
- We will be sending out a form in our follow up email where you can sign up, or feel free to opt in on our July registration page.

Evaluation

- Please provide your feedback on this SJLA Learning Series webinar event at the link below.
- Scan the QR code or type the URL into your browser.
