

CCBHC-E National Training and Technical Assistance Center

CCBHC Foundations Data Learning Series
Session 1: Orientation

November 15, 2022

CCBHC-E National Training and Technical Assistance Center

Funded by Substance Abuse and Mental Health Services Administration and operated by the National Council for Mental Wellbeing

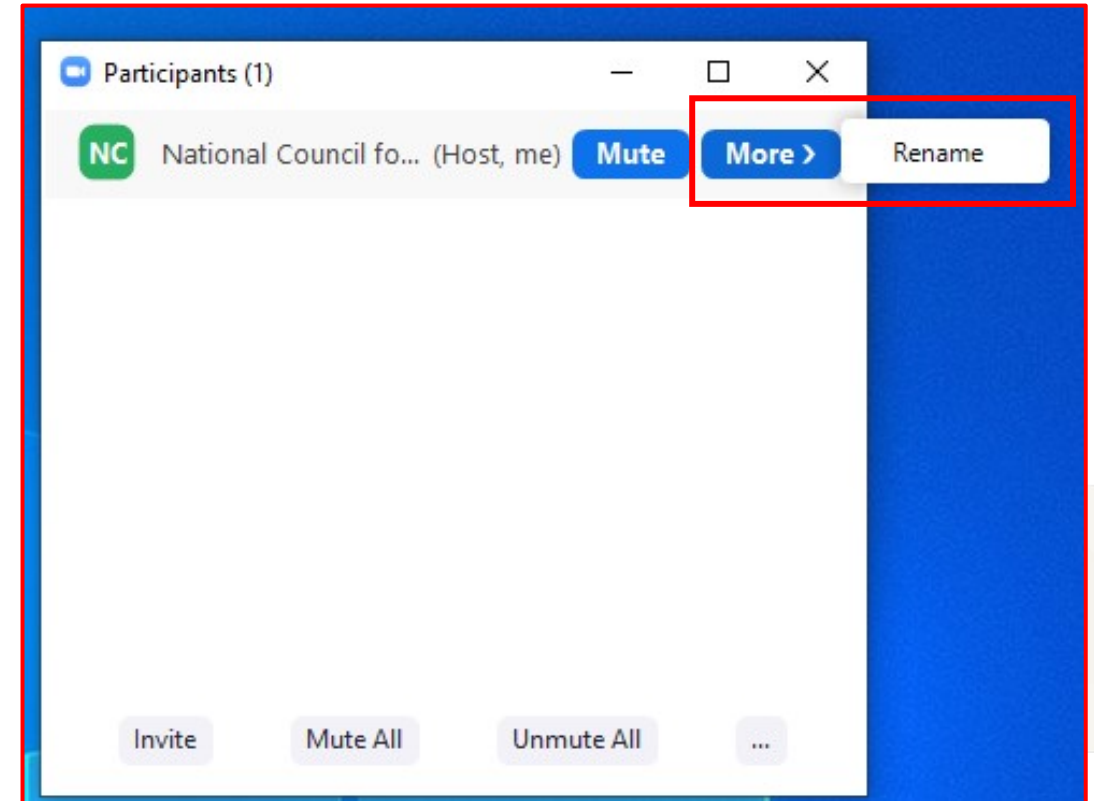

Acknowledgements and Disclaimer

This session was made possible by Grant Number 1H79SM085856 from the Substance Abuse and Mental Health Services Administration (SAMHSA). Its contents are solely the responsibility of the authors and do not necessarily represent the official views, opinions, or policies of SAMHSA, or the U.S. Department of Health and Human Services (HHS).

Logistics

- Please rename yourself so your name includes your organization.
 - *For example:*
 - **Blaire Thomas, National Council**
 - *To rename yourself:*
 - Click on the **Participants** icon at the bottom of the screen
 - Find your name and hover your mouse over it
 - Click **Rename**
- If you are having any issues, please send a Zoom chat message to **Kathryn Catamura, National Council**

How to Enable Closed Captions (Live Transcript)

Next to “Live Transcript,” click the arrow button for options on closed captioning and live transcript.

Today's Session: Slides and Recording

Slides and the session recording link will be available on the [CCBHC-E NTTAC website](#) under “Training and Events” > “Past Events” within 2 business days.

The screenshot displays the CCBHC-E National Training and Technical Assistance Center website. On the left, a navigation menu under 'Training & Events' includes links for 'About Us', 'Resources', 'Training & Events' (highlighted with a red arrow), 'Learning Communities', 'On-Demand Modules/Lessons', 'Learning and Action Series', and 'Request Training/Assistance'. To the right, a 'Calendar of Events' section features search filters for 'Search', 'Start Date', 'End Date', and 'Select Event'. Below these filters, a dropdown menu is open, showing 'Future Events' and 'Past Events' (highlighted with a blue bar and a red arrow). An 'Apply' button is visible at the bottom of the dropdown.

Today's Agenda

- Welcome and brief orientation to CCBHC-E NTTAC
- CCBHC Foundations Data Learning Series overview and expectations
- Brief introduction to elements of data foundations
- Sharing and preparing for next session

Orientation to the CCBHC-E National TTA Center (CCBHC-E NTTAC)

CCBHC-E National Training and Technical Assistance Center

Funded by Substance Abuse and Mental Health Services Administration and operated by the National Council for Mental Wellbeing

We're Here to Support You

Purpose: Provide training and technical assistance to SAMHSA CCBHC-Expansion grantees for:

Implementation and
adherence to the CCBHC
model

Utilization and integration of
evidence-based practices

Sustainability and alignment
of CCBHC model and state
adoption

How Does the Center Support Grantees?

Learning Communities and
ECHO Series

Webinars, Office Hours and
Learning and Action Sessions

On-demand Resource Library

Data Learning Series By the Numbers

76 Clinics, 33 states & Puerto Rico,
120 Registrants

41% urban, 23% suburban, 36% rural

Participants Job Title

Confidence level measures

CCBHC Knowledge

Learning Series Purpose

Purpose: Provide a mechanism of structured support for PDI grantees over their first year of grant implementation focused on grant requirements related to data deliverables. The learning series curriculum will build participant knowledge and understanding of the foundational elements of data collection, analysis and reporting related to grant measures such as the NOMs, Community Needs Assessment, Disparity Impact Statement and others.

Learning Objectives

- Increase knowledge and understanding of the foundational and introductory elements of data collection, analysis, and reporting
- Explore opportunities for building data infrastructure for the CCBHC-E grant data collection and reporting requirements
- Identify approaches for analyzing clinic and agency-level data to address population health needs, and disparities and inform continuous quality improvement practices

Learning Series Structures

- Monthly, 90-minute learning sessions
 - Sessions will follow a curriculum of topics
 - Expect approximately 60 minutes of content and 30 minutes of breakouts or peer engagement
- Resources
 - Welcome packet serves as a reference for expectations, accessing sessions and resources
 - Resources such as reference guides or other materials complimenting content will be shared
 - We will be maintaining a “Question Log” to align content to questions and needs, and develop Q&As where relevant, so **please put questions in chat as we go for during each session**

Participant Expectations

Attendance

- CCBHC implementation requires organization buy-in and team collaboration – we welcome organizations to bring extended teams to these sessions
- All content is intended to build upon past sessions, so we ask for participant commitment in all sessions
- Life happens! If you can't attend some sessions, please make efforts to have others on your team join to represent you

Engagement

- Meeting and engaging with your peers can be one of the most rewarding parts of this experience – we ask for you to have your video on, to share experiences so we can all benefit
- Speak up and ask – there are NO dumb questions, everyone is new to this – drop questions in the chat as they come to you
- If you have multiple teammates joining a call, consider joining from separate laptops to be able to fully engage in breakout discussions

Learning Series Curriculum

Month	Topic	
Nov 2022	Orientation and Attestation	
Dec 2022	Building Infrastructure for Data Collection, Analysis, Reporting and Continuous Quality Improvement	<ul style="list-style-type: none">• Explore techniques and strategies to build organizational infrastructure for mapping grant data requirements• Introduce strategies and tools to design processes and workflows for data collection, analysis, and reporting• Showcase and explore how data can be used to guide agency-wide continuous quality improvement
Jan 2023	Designing an Effective Community Needs Assessment-	<ul style="list-style-type: none">• Identify approaches to design an effective community needs assessment• Perform a case study example to showcase how community needs assessment data can be analyzed to identify community and population health needs
Feb 2023	Building Infrastructure and Practices for NOMs Data Collection, Analysis, and Reporting	<ul style="list-style-type: none">• Demonstrate strategies CCBHCs can explore to build an effective infrastructure processes for NOMs data collection, analysis, and reporting• Perform a case example to demonstrate how CCBHCs can analyze NOMs data to assess and improve performance
Mar 2023	Building Infrastructure for Population Health Management and Risk Stratification	<ul style="list-style-type: none">• Explore and showcase effective strategies to build infrastructure for population health management and risk stratification approaches• Perform a case example to demonstrate how CCBHCs can utilize clinical level data to identify trends in disparities and gaps
Apr 2023	Wrap-Up and Closeout	

Principles Data Collection and Analysis

- Respect individuals' rights, dignity, privacy, and autonomy
- Use culturally responsive practices
- Ensure data collected are reliable and valid
- Minimize undue burden
- Collect, use, and disclose data for meaningful purposes
- Store and transmit data through secure methods

Principles of Data Collection and Analysis

Reliability

- Do your data collection methods produce consistent results?

Validity

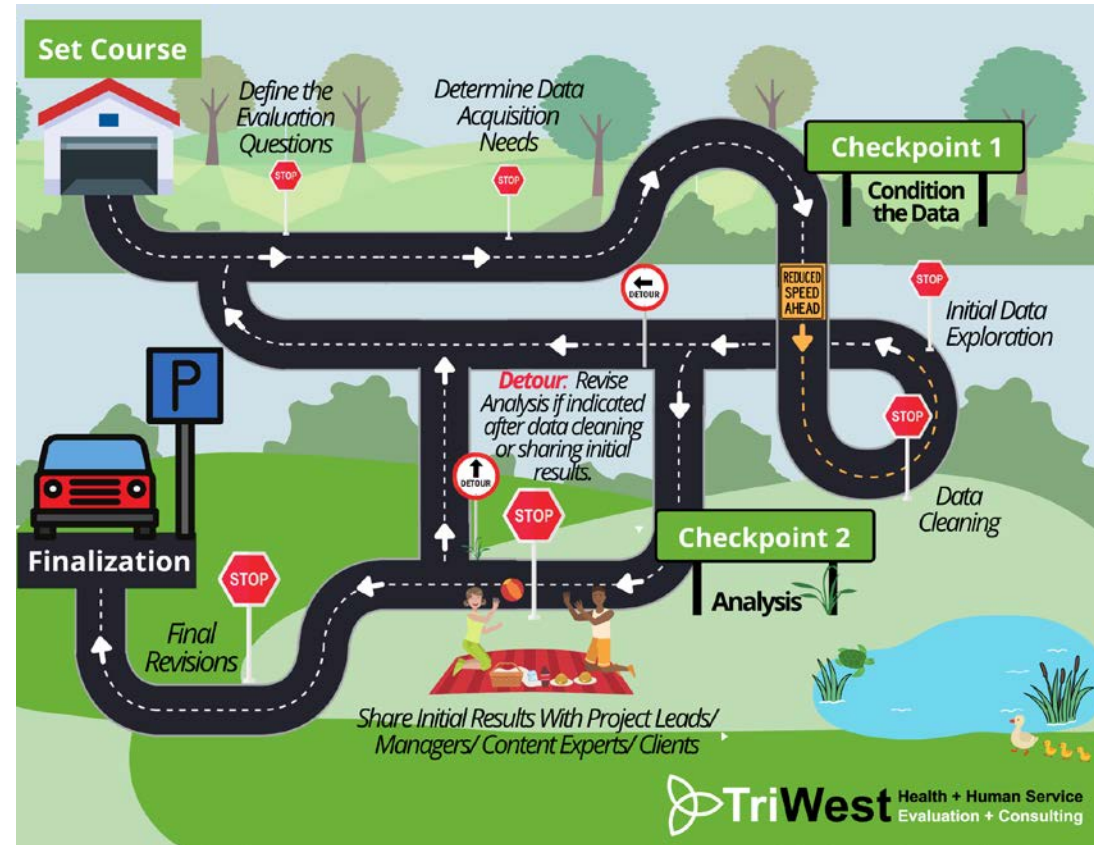

- Are the results accurate?
- Can you use results in a meaningful way?

Analysis

- How do findings compare to your expectations?
- What are the big takeaways/trends that characterize your agency and its services?
- What findings inform actionable steps and/or inform new evaluation questions?

Data-Driven Project Roadmap

NATIONAL
COUNCIL
for Mental
Wellbeing

Elements of Data Collection and Analysis

- Evaluation questions
- Quantitative and qualitative methods (e.g., surveys, assessments, interviews, focus groups)
- Data collection protocols and workflows
- Reporting of results
- Process improvement

Developing Evaluation Questions

Process

- Client Access (6 A's)
- Quality of services

Outcomes

- Improved quality of life
- Change in severity of behavioral health concerns

6 A's of Access

Accessibility

Location: Service is in reasonable proximity (time and distance)

Acceptability

Perception: Responds to service and social or cultural concerns

Accommodation

Organization: Service is organized to accept clients (hours, appointments, physical structures)

Availability

Supply/Demand: Sufficient services to meet consumer volume and need

Affordability

Costs: Services examine direct costs for the provider and the consumer

Realized Access

Information: The degree to which clients actually receive needed services in accordance with the standards.

Examples of Evaluation Questions

Domain	Question	Data Source
Access	<ul style="list-style-type: none">What are the barriers (<i>structural, financial, personal</i>) to accessing CCBHC services?To what extent has the population of focus initiated and engaged in the recommended services?	Attendance/administrative data Surveys/interviews of providers and program participants
Quality	<ul style="list-style-type: none">What is the program's impact on the quality of behavioral health care?To what degree are evidence-based practices implemented as intended?What are barriers and facilitators to implementing the CCBHC required services?	Surveys/interviews of providers and program participants Fidelity checklists
Outcomes	<ul style="list-style-type: none">To what extent has the client's quality of life improved as a result of the program?Was there a reduction in severity of mental health concerns?	Client self-reported qualitative data Standardized scales

CCBHC Evaluation-Related Activities

- Inform disparity impact statement
- Conduct CCBHC needs assessment
- Measure client-level access and outcomes
 - Quality care measures
 - Client satisfaction
 - Clinical outcomes
- Monitor organizational implementation progress
 - Grant-required measures (IPPs, NOMs)
 - Project goals and objectives
 - CCBHC model criteria adherence

CCBHC Data Types and Sources

- Clinical records
- National Outcome Measures (NOMs) Services Tool
- Infrastructure development, prevention, and mental health promotion (IPP) indicators
 - Training records
 - MOU/MOA/BAA
 - Rosters or surveys of CCBHC governing entities
 - Claims/EHR data
- Quality measures
 - Administrative records
- Stakeholder interviews and surveys
- Public health data

How To Use CCBHC Data

- Clinical practice
 - Determine client and population needs
 - Adjust treatment plans to improve outcomes
- Support of clinical and administrative/business staff decision workflow
- Identify other funding opportunities
- Inform state and local policy change
- Make decisions related to staffing and resources
- Communicate with community partners
- Promote programs and services
- **Celebration!**

Breakouts: Getting to Know Your Peers

In each room, have each participant share:

- Who you are: Name, role in CCBHC implementation
- Where you're from: Clinic name, location, setting (Ex: rural, urban)
- What do you see as your niche or special sauce (Ex: What is your clinic known for in terms of who you serve, innovative or quality practices?)
- What questions do you have coming into the learning series?
- What do you most need from the learning series?

Be prepared to share some themes from your group!

Closing: Sharing and Preparing

- **Brave Volunteers:** What did you hear from others in terms of questions and needs?
- **QUESTION LOG:** Take 2-3 minutes to send any questions you have aligned with the learning series curriculum in the chat.
- **Next Session: December 13, 2022, 3pm – 4:30pm EST**
 - Topic: Developing Data Infrastructure and Workflow
 - Prep work: Review the goals and objectives from your proposal; draft evaluation questions; consider clinical workflows for collecting client assessment data; prepare an example of how your organization has used data to improve performance and outcomes.

Other Upcoming Events

- **CCBHC Sustainability Learning and Action Series (November 2022 – January 2023).** This Learning Series is designed for CCBHC grantees interested in learning and understanding the different pathways to building and maintaining a sustainable plan for the CCBHC model. The curriculum for this Learning Series will review approaches to collaborating with states and other stakeholders to build the value case for statewide CCBHC implementation, transitioning from a grant program to state certification, and effective strategies to optimize future billing opportunities.
 - **Session 1: Building the Value Case for Statewide CCBHC Implementation** – Monday, November 14, 2-3pm ET
This session will identify how CCBHC-E grantees align and organize alongside other grantees, state associations and other stakeholders to educate and communicate the value of CCBHCs and explore pathways for statewide implementation. Register [here](#).
 - **Session 2: Transitioning from Grant Programs to State Certification** – Monday, December 5, 2-3pm ET
This session will identify strategies for using your CCBHC grant program to prepare your organization for certification, where available, and how to leverage attestation as practice for certification. Register [here](#).
 - **Session 3: Financing for Sustainability – Understanding Your Costs and Preparing for New Payment Models** – Monday, January 9th, 2-3pm ET; Understanding and optimizing your costs as a CCBHC is critical for sustainability of services. This session will identify processes CCBHC-E grantees can establish to capture their costs and optimize billing as a CCBHC, as well as considerations for alternative payment models. Register [here](#).

Collaboration with
Other Grantees

Collaboration with Other Grantees

- Peer cohort calls as a regular standing space for engaging with others going through the same things as you:
 - CCBHC-E **executives** meet the last Friday of each month from 12-1 p.m. ET. [Register here](#).
 - CCBHC-E **program directors** meet the first Wednesday of each month from 12-1 p.m. ET. [Register here](#).
 - CCBHC-E **evaluators or CQI leads** meet the first Tuesday of each month from 3:30-4:30 p.m. ET. [Register here](#).
 - CCBHC-E **medical directors** meet the first Monday of each month from 12-1:00 p.m. ET. [Register here](#).
- **Additional Support:** We welcome you all to join our virtual community where you can communicate with your peers, post questions, comments and share resources amongst the cohort! [JOIN HERE!](#)

Thank You!

Thank you for attending today’s event.

Slides and the session recording link will be available on the CCBHC-E NTTAC website under “Training and Events” > “Past Events” within 2 business days.

Your feedback is important to us!

Please complete the brief event survey that will open in a new browser window at the end of this meeting. Your input helps us improve our support offerings and meet our SAMHSA data metrics.
