

Better Together

A National Partner for Local Impact

When you join the National Council for Mental Wellbeing, you're joining a community of 3,400+ organizations that are saving lives and strengthening communities. You're also adding your voice to a national rallying cry to increase access to mental health and substance use prevention, recovery and treatment – and we can give you the tools to be heard.

Moving the Field Forward

We are making mental wellbeing – including recovery from substance use challenges – a reality for everyone through policy, partnership and action:

- We advocate for policies to ensure equitable access to high-quality services.
- We build the capacity of mental health and substance use treatment organizations.
- We promote mental wellbeing as a core component of comprehensive health and health care.
- We train individuals and organizations to identify, understand and respond to signs and symptoms of mental health and substance use challenges.

Investing in Your Success

Membership in the National Council means having the support of an organization that's been advancing the field for 55 years. When you become a member, we become:

- A **resource** for strengthening your service delivery and workforce.
- A **provider** of evidence-based practices, strategies and solutions.
- A **vehicle** for amplifying your voice in and beyond your community.
- A **conduit** to Capitol Hill, bringing Washington, D.C., to your doorstep.
- A **platform** for engaging thousands of health care colleagues.
- A **channel** for receiving breaking news and advocacy alerts.

Increasing Your Impact

We are committed to supporting and strengthening the important work you're doing in your community. As a member of the National Council, we can help you:

- Advocate for policy and raise your voice on a national scale.
- Adopt and implement new treatment strategies and solutions.
- Get more out of your service delivery through practical innovations.
- Grow your workforce and strengthen your leadership team.
- Become ready to meet CCBHC certification criteria.
- Gain a national perspective on the state of behavioral health care.
- Network with colleagues who've "been there, done that."
- Stay informed of the latest trends and technologies.
