

## Behavioral Health (Inpatient)

Today's behavioral health providers are facing incredible opportunities and incredible challenges. The opportunities relate to demographics, growing demand, and technological advancements. The challenges relate to competition, regulations, patient preferences, and COVID-19.

Whether your facility is looking to seize on these opportunities or address the challenges of your industry, we can help. We provide strategic purchasing solutions and operational support to help behavioral health providers thrive. As a Sponsor organization of Premier, a leading healthcare improvement company uniting an alliance of approximately 4,100 U.S. hospitals and 225,000 alternate sites, we offer access to one of the industry's most comprehensive purchasing portfolios.

### Power of Premier

Premier is a leading force in healthcare supply chain and operations. With nearly 30 years of experience, Premier has the leadership, expertise, and resources to help you succeed. And with a contract portfolio built on over \$69 billion in group purchasing volume, you get access to the buying power needed to thrive in today's increasingly competitive healthcare environment.

### Best-in-Class Pricing

Through [Premier's Continuum of Care purchasing portfolio](#), you'll gain access to over 3,100 contracts with national suppliers that behavioral health providers know and trust. Additionally, our portfolio affords you access to our foodservice program with US Foods, one of the largest food distributors in the nation. By taking advantage of our US Foods contract, you can see immediate cost savings on foodservice purchases.

*The following pages contain a sampling of the most frequently accessed contracts by behavioral health providers. Premier adds suppliers to its portfolio often, so please contact us at the phone number or email below before you make any purchasing decisions to make certain that you are taking full advantage of our purchasing program.*

### Here are some of the additional resources available to you:
